

# Three Cup Game

## Rules

- This game has a host and a player. The host has three cups and a prize.!
- The player looks away (**no peeking**), and the host puts a prize under one cup.
- The player selects one cup.
- The host takes away one of the remaining cups which **does not** contain a prize.
- The host asked the player if they want to keep their cup or switch to the other cup.
- The player then looks what's under their cup and if they got the prize!
