

For each puzzle, if it's **possible** to rearrange the chips with the given number of slides, put a **✓**. If you think it's **impossible** to rearrange the chips with the given number of slides, put an **X**.

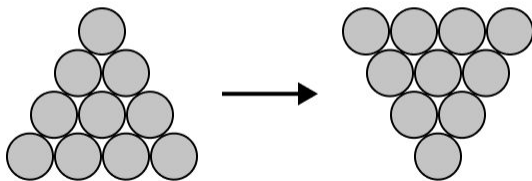

1 Rearrange the chips using **2 slides**.

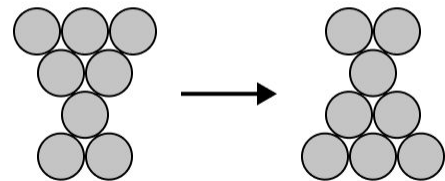

2 Rearrange the chips using **3 slides**.

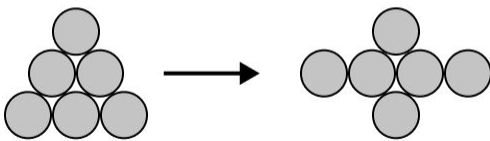

3 Rearrange the chips using **2 slides**.

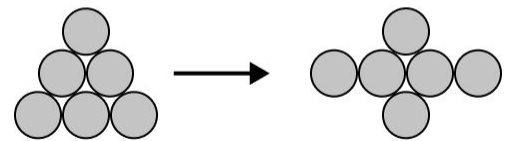

4 Rearrange the chips using **2 slides**.

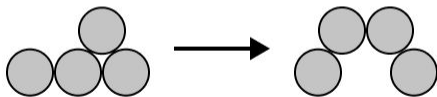

5 Rearrange the chips using **4 slides**.

6 Rearrange the chips using **3 slides**.

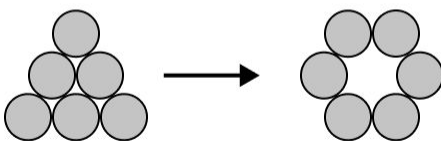

7 Rearrange the chips using **1 slide**.

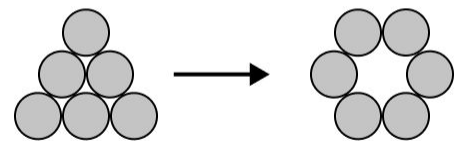

8 Rearrange the chips using **2 slides**.

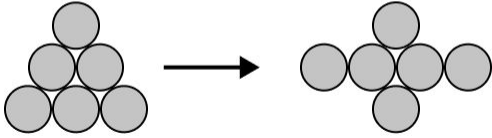

9 Rearrange the chips using **any number of slides**.

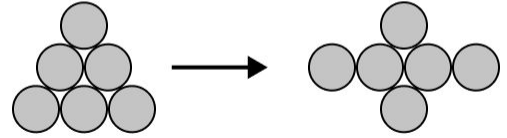

10 Rearrange the chips using **4 slides**.

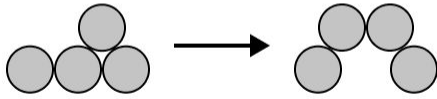

5 Rearrange the chips using **4 slides**.

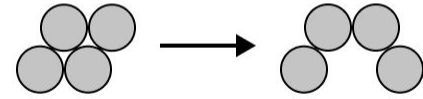

6 Rearrange the chips using **3 slides**.

7 Rearrange the chips using **1 slide**.

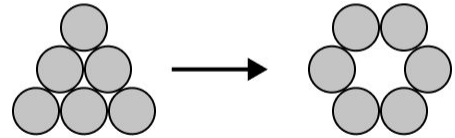

8 Rearrange the chips using **2 slides**.

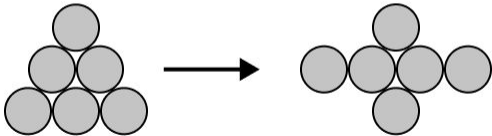

9 Rearrange the chips using **any number of slides**.

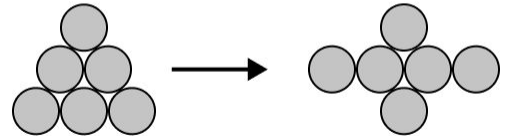

10 Rearrange the chips using **4 slides**.

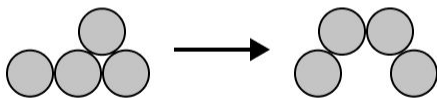

5 Rearrange the chips using **4 slides**.

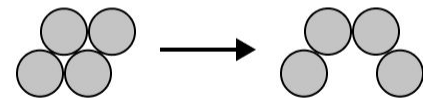

6 Rearrange the chips using **3 slides**.

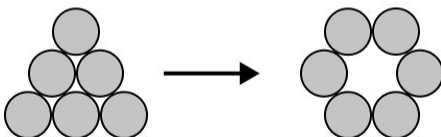

7 Rearrange the chips using **1 slide**.

8 Rearrange the chips using **2 slides**.

9 Rearrange the chips using **any number of slides**.

10 Rearrange the chips using **4 slides**.
